Native Estonian.

English

WORK EXPERIENCE

POSITIUM OÜ (INTERNSHIP)

A data analytics and technology company specializing in spatial data, mobile positioning, and location-based insights. Worked on integrating minu.kataster.ee (land registry) with ETAK (Estonian Topographic Database) to synchronize spatial and land-cover data.

BACULA AS (AAKRE MOOS)

A leading Estonian producer of high-quality jams and purées. As a jam maker, I worked within a team to prepare and cook various products, and was also responsible for the subsequent packaging of the final goods.
